Product/Business you will be showcasing _____
Description of presentation and/or educational component _____
Food/product to be sampled _____
Brief Biography of Presenter: _____

A few details about the day:

- Each demonstrator is given one entry ticket and parking pass. Upon entering, drive into the school and turn left towards the buildings. You may park in the lot, space permitting. If the lot is full, proceed to the other side of school near the garden.
- Check in with the Demo Coordinator at the welcome table at least one hour prior to your scheduled demo.
- There is a full kitchen available for any preparation, refrigeration or storage of materials on the school site.
- Please bring all the equipment, utensils, supplies and food you will need to demonstrate your item.
- There is no cooking or heat source in the demo area, but there is electricity and a full kitchen for preparation.
- A volunteer has been scheduled to assist with serving and to offer assistance, if needed.
- Demos are to last between 15 and 25 minutes.
- Unless otherwise informed, you will need to make your own introduction. A cord-less head microphone will be set-up for your use.
- Last year there were between 75 and 100 attendees at the demos. Please provide samples for all of the attendees.
- Serving containers and spoons will be provided.
- Recipes may be posted on-line or you may provide a paper copy. To post online, please send recipe in a doc. attachment along with pasting into the body of the email to www.freestonefermentationfestival@gmail.com

Our demonstrations are a very popular part of our festival and the time slots are limited. Please apply by March 15, 2011.
Please copy and paste the top half of this form into an email to fill out and send to: Freestonefermentationfestival@gmail.com

Or print and send to: Jennifer Harris 1504 Pinebrook Place Santa Rosa, California 95403

Please contact us at (805)-801-6627 or freestonefermentationfestival@gmail.com with any questions or inquiries!

We look forward to celebrating with you!
