A few details about the day:

- Each volunteer is given one entry ticket, one meal ticket and one parking pass. Upon entering, drive into the school and turn left towards the buildings. You may park in the lot, space permitting. If the lot is full, proceed to the other side of school near the garden.
- A volunteer pass requires three hours of work in exchange for your entry, parking, and meal ticket.
- Volunteers must check in with the Volunteer Coordinator at the welcome table at least 20 minutes prior to your scheduled volunteer time.
- Please bring water bottle, sunscreen, clothing layers, hat and anything else you may need to stay comfortable and safe.
- Volunteer time slots are first come, first serve. The sooner you apply, the better chance you will have to work during your preferred time!

Our volunteer positions are limited and fill up quickly. Please apply today if you are interested!
